Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 4, 1180 Uccle**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire offers:

This beautiful through-apartment with a terrace and garden is located at the front of the project – facing SOUTH/WEST.

The entrance hall leads to the living area, which includes a fully equipped open kitchen, dining room, and living room.

A night hall, with the utility room, separate toilet, and a shower room, leads to the second part of the apartment with 2 bedrooms. The master bedroom has a dressing area and a full bathroom (with toilet, two sinks, and a bathtub), while the second bedroom is smaller. This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)!

Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction.

This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside!

Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
