Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 6, 1180 Uccle**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire offers:

This 2-bedroom, ground-floor, through-plan apartment opening onto the outside of the project, taking advantage of the view of the main street.

The entrance hall opens onto the living area with living room, dining room and fully-equipped kitchen, which extends onto the terrace and garden, and onto the private area, which includes a utility room, shower room (with washbasin) and bathroom (with a second toilet, bath and 2 washbasins); the 2 bedrooms both benefit from a view of the patio.

This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)!

Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction.

This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendaël plateau, giving the feeling of living in the countryside!

Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
