## Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 8, 1180 Uccle**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire offers:

Attractive 1-bedroom apartment on the 1st floor at the front of the project, enjoying unobstructed views and plenty of sunlight. The compact layout includes an entrance hall with checkroom area and guest WC. The living area comprises a superbly equipped kitchen, dining room and living room, which is extended by the beautiful terrace.

The bedroom with balcony has an en suite shower room (+ single washbasin), and the laundry/technical room is accessed via this shower room.

This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC) !

Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction.

This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside!

Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.

# Characteristics
