3-bedroom penthouse crossing - 2 beautiful front and rear terraces

Beautiful 3-bedroom apartment on the 4th and top floor with a classic, efficient layout.

Entrance hall with checkroom and guest WC and access to the front terrace.

The living space is very bright as it takes advantage of the 2 terraces, with the living room at the front and the super-equipped kitchen and dining room at the rear.

The night hall houses the 3 bedrooms. The master bedroom has its own bathroom with double sinks, 1 WC and 1 shower, while the other 2 bedrooms share the second bathroom (+ 1 WC and single sink). 2 of the 3 bedrooms also have access to the rear terrace. A utility/technical room completes this property.

Storage room and parking available at an additional cost + charging station available at an additional cost.

The project, situated on chaussée de Nerstalle and rue Auguste Lumière, will benefit from a splendid inner garden, a veritable peaceful green oasis that will offer residents calm and relaxation. The municipal park is just 2 steps away, as are sports clubs (field hockey and soccer), schools and all types of transport (streetcar, bus, train and bike), the entrance to the west ring road and a large shopping center. A multitude of assets that will guarantee a perfect balance between an active lifestyle and a pleasant daily life.

Make the most of this new development for your future home, in a neighborhood that is undergoing a metamorphosis and is livable for all.
