New houses 4 bedrooms - well oriented garden - very pleasant green environment !

 **Avenue Jacqueline Harpman 9, 1180 Ukkel**

This individual house with 2 facades of 225 sqm gross, is declined on 3 levels + a 45 sqm cellar in the basement. It includes on the first floor, a garage, a checkroom space, a guest toilet. A central staircase leads to a multi-purpose room (casco) on the second floor with immediate access to the 19 sqm terrace and the southwest facing garden. This same staircase leads to the upper floors to the kitchen and the dining room, and to the living room and a nice study area. The terrace makes the connection between the living rooms and the garden. On the first floor, the large bedroom with en suite bathroom is located on the garden side, the 2 other bedrooms are on the street side, 1 shower room and 1 separate toilet complete the floor. The house is equipped with triple glazing, a heat pump and a green roof (possible to install solar panels at your costs).

This new site, already in advanced development and very nicely laid out, extends over several hectares. It is located in the South of the Commune of Uccle, in the heart of a totally protected nature, on the edge of a NATURA 2000 zone, on the side of the Plateau du Kawberg, close to the Lycée Français, 10 minutes from Fort Jaco and the St-Job district.

Sale under registration rights on the land and under VAT regime on the construction. Estimated delivery: 2025.

A visit of the site is essential to live the project. For any information, contact us at 02/375 1010 / new@victoire.be.
