Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 8, 1180 Uccle**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire-JUNOT offers: Attractive 2-bedroom apartment on 1st floor, with terrace. Entrance hall with immediate access to the 1st bedroom, a small night hall leads to the guest WC, the technical room and the bathroom (with bath and 2 washbasins) and to the master bedroom. The 2 bedrooms have balconies overlooking the interior of the project. The living area (with fitted kitchen, living room and dining room) is extended by the terrace overlooking the main street. This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC) ! Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction. This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside! Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
