Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

📍 Clos Andrée Dumont 7, 1180 Uccle

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire-JUNOT offers: This 2-bedroom apartment on the 1st floor benefits from a terrace overlooking the main street. The beautiful living space includes a superbly equipped kitchen, dining room and living room extended by the terrace. Two bedrooms with balconies open onto the interior. The master bedroom has an en suite bathroom with double sink and bath. A utility room, a shower room with 1 washbasin and a separate toilet. This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)! Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction. This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside! Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
