Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 4, 1180 Uccle**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire-JUNOT offers: An attractive 3-bedroom apartment with terrace at the front of the building - south-west facing. Entrance hall with space for a cloakroom and guest's WC - Beautiful living space with fully-equipped kitchen, dining room and living room extending onto the terrace. The night hall houses a bathroom (with bath, 1 washbasin and separate toilet opening onto the utility room), and 2 bedrooms. The master bedroom has an en suite shower room (with 1 washbasin). This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)! Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction. This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside! Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
