## Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 3, 1180 Uccle**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire-JUNOT offers: On the 3rd floor, attractive, bright 3-bedroom apartment at the front of the project. Entrance hall with guest WC and utility room. The living room, with its superbly equipped kitchen, dining room and lounge, takes advantage of the beautiful orientation. The 3 bedrooms face the front of the project, each with its own balcony. The master bedroom has a shower room with double washbasin and toilet. The other 2 well-appointed bedrooms share a bathroom with bath and washbasin. This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)! Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction. This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside! Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.
