The apartment offers top-of-the-range features, and its spacious layout enhances the feeling of luxury. It is composed as follows: The entrance hall welcomes you with a designated area for a cloakroom and guest toilet. From here, it opens onto a vast living and dining area that extends to the terrace, as well as a magnificent fully equipped kitchen, enlarged by a utility room and technical space. On the other side, the private night area leads to 3 bedrooms, including a master suite with its own terrace at the front, a walk-in closet, and a luxurious bathroom with bath, shower, double washbasins, and a private toilet. The two additional bedrooms also benefit from a shower room (with washbasin) and a separate toilet. A private cellar is included. A parking space (mandatory) is available for each apartment (starting at €35,000). Attention to detail and craftsmanship are evident throughout, with features such as: innovative geothermal technology, sustainable materials, beautiful kitchens by Structure Plus, and an A+ energy rating, all contributing to your optimal comfort. The apartment is set in an eminent residential area, surrounded by parks, ideal for walking, and in close proximity to prestigious schools, fine dining, and renowned cultural venues. The sale is subject to registration duties (12.5%) on the land portion, and VAT (6% under conditions) on the construction. Delivery is scheduled for Summer 2026. Our team is at your disposal for a private presentation at your home or at our offices, located just steps from the project. 02 375 10 10 – new@victoire.be
