Heart of XL – Beautiful 2-bedroom apartment with rear terrace

 **D'IXELLES 56 CHAUSSÉE/56-58, 1050 Ixelles**

Victoire Junot presents this brand-new two-bedroom apartment, featuring a rear terrace and located on the third floor of this completely rebuilt building behind its original façade. This 96.8 sqm² apartment is laid out as follows: An entrance hall welcomes you and opens onto the spacious rear living area, which includes a fully equipped open kitchen (with laundry space), a dining area and a living room. The whole space extends onto a small terrace and overlooking a green roof. The night hall, with separate toilet, leads to two well-sized bedrooms, each with its own shower room. The apartment also benefits from an impressive ceiling height of 3.22 m. The renovation was carried out according to the 2026 energy standards, ensuring performance and durability. The apartment offers all the comfort of NEW construction: individual gas boiler, high-performance wooden frames at the front/PVC frames at the rear, and quality finishes. Kitchens and bathrooms were selected in an elegant and contemporary style. The building has no parking, no cellar and no lift. The sale is subject to the 6% VAT regime. The location is ideal on Chaussée d'Ixelles, just steps away from Place Fernand Cocq — an urban, lively neighbourhood perfect for city lovers!
